Taurus (20.04—20.05)

Introduction

Stars favorite monsieur Taurus
Submerged Sample
Waits for his desires
Finally

All desires are taken into account
In the predictions made
Everything goes its own way
From Spring to Spring

In the year of the dog all the Taurus
To wise men and cunning people
Do not get so much
By face and finger

On vacation

And Taurus beckon to the ways
It's good to go camping
To fish, to swim
And on a rowboat boat

Wonderful, trekking
Meet the sunrise sunrise
On the birch fringe
Or a white steamer

Will carry away to the end of the earth
Where in the fog and in the distance
Ancient pines, spruce
From the water almost grew

On luck

But Taurus does not outwit
Just do not persuade
