Blow Up The Universe

tell me about a stars shining brightly as your deep eyes,
now tell me about life upon seven sees or above skies,
tell me a secrets that you keep inside,
tell me about a fears or languor or pride!

let show my devotion supported by love and faith,
in the arms of eternity let me open the gates
for relationship... let it be the brand-new kind
let music sounds in your soul for a while...

did you ever see an angel staring blindly?
did you ever hear a voices calling sadly?
before many doors of light and fields of splendor
did you ever want to enter this love's temple?

i'm bending over your great feelings and passions,
standing down on my knees in the sweetest attraction,
and crushed reputations and broke the rules.
i'll blow up the universe to being with you!

Painful Love

Love is the night
For love I can fight
You are one of a kind – I need you

Please hold me tight
In deep dark delight
All ever I wanted was you

Love is the pain
It's going to enslave
Us with the rain of your tears

I'm insane
Entreat you and blame
Love in your heart craves for fears

Leave pain behind
And open your mind
For faith, I shall bring it to you

Choose: death or life
You're my poison wine
And always push me in gloom

Crying Angel

You are my crying angel
Fall in my arms from heaven and bleed
You are my dying angel
Lost in my eyes but want me and need

Sun burnt your fragile wings
Deserve to die by sword of ruthless grace
You try to fly and never kneel
Ignite from the sun, come to new phase

You are my crying angel
You fly without heartbeat in your chest
You are my dying angel
And always be within an ace of death

Bedrop my icy skin
Release my tired soul to heaven's freedom
For things I've never seen!
You pull me down and start the new dawn

5 June, 2006

Memories Of Me

Feel the poison of last kiss
Can't wash away it from your lips
Eternity turns to misery

Blind to see my sufferings
Deaf to hear my painful screams
Soul are filled with emptiness

I rest in piece, don't care about me
