Ego vs Soul

POEMS

A large, dark shadow of a person lying on their back is cast onto a field of dry, yellowish-brown grass. The shadow is positioned centrally, with its arms and legs spread out. A white rectangular box with a black border is superimposed over the upper part of the shadow, containing the word "POEMS" in black, uppercase letters.

Adore,
Adore you run away,
Why are run?
I just want to say: Hello! Or hi!
Play in silly games,
Lose today and now.
Wipe off your face,
Go out from your mind.
Hide true under stone
Near the road,
Lay under falling stars.
No even single word
Will tell in eternity.
I want to little pray
With You, about You,
In Your Holy words
Voice through the space
Give all us chance
To be in love
And be....

Don't cry my friend,
When bury me in the leaves fall...!
Don't cry my friend,
When the way gone....
Don't cry my friend,
If you go alone.....
Come, come, come,
Shy girl, Let's go!
Run, run through the mist of failures...!
Run, run under river you grew...!
High way lay on
Slip, flow, stream
Always..., always....!
All ways you to Go!

In the Universe just you
Dyeing in your chest,
Dyeing in your mind,
Bless in to the golden hair,
Coming under Christmas.
Believe in your star
Way goes home.
True still awe,
I ripper mood
Silver table knife.
Who will come to me
If I am not grow yet,
Illusion tie,
Bow on top,
You stay younger.
I am drops in mystical comics.
Prepare to die....
Real ...not

Deep sleep inside....
My emotion was rude,
Turn off my soul and guide
I am not in dark,
I am not even afraid...
Why I am must to die,
If you are command
You was nothing for me,
Just sound of tube....
Evil song sing but
I don't listen....
Flame melt... spring
Began
I forged my chain to build
New temple

I am lost alone in this storm,
Where are You mine Friends?
Where are You my Light?
Come to save me now!
Lost alone in the dark woods,
Dance on the glade at night.
Sing songs with wild wolfs,
Licked up wounds,
Leave me from love.
Go on bare shore,

Lost in golden sand,
All prays and supplications
Sink in deep silence.
Lay move less on the cold ground,
Stretch hand inside,
Wish nothing and want no one,
Dead or may be try
Survive this day....

5.01.14

Just taste this life, Baby!
Just taste this sweetest life!
May blood in your mind....!
Taste may blood on your lips!
I fall in love
Crazy bastard, Mad dancer on the grave,
Hung your death tighter!
Go deeper in hell.
Poison kisses seed surrender.
Musician on wild violin,
Notes from sacred shore,
Pass love through your veins
Take spark of electric chaos.
Spit in crystal dew,

Конец ознакомительного фрагмента.
