Total information

10 tips for choosing the right female vibrator. Many, knowing about the vibrator for women, have already succumbed to a seductive suggestion and began to buy their first toy for sex. Good! However, each of the women raises the question – which vibrator is best to choose to please yourself.

Today, in the sex shop there is a large selection of vibrators of all kinds – including color, size and functionality. It is because of these important things, for women the choice of a vibrator turns into something mysterious and not surmountable.

After all, as a matter of fact, it would be desirable, that cost was justified by quality, and the subject brought pleasure.

It is for this purpose that the instruction will be written about the correct choice of the female vibrator. This useful instruction will be useful for any buyer – both for women and for men. And also bring an unforgettable pleasure to the female sex.

And, so, during the selection of a vibrator, first of all, it is worth considering what you want. The more you understand what you want, you will have more chances, choose yourself a quality pleasure for the body. The choice is broad both at will and in color.

Creating a vibrator, producers try to give him as many positive qualities as possible that will satisfy women's needs, as well as unpredictable types of fantasies.

To choose a vibrator according to their desires can only those girls who have experience in this, who previously used this. Also, if they know how to use it to get an unforgettable pleasure.

But, how to choose a vibrator for those who practically do not have no idea about the vibrators, but also do not know their bodies from the sexual point of view. It is for this type of women that the 10 best tips have been created that will help all the girls in the right choice.

List of tips for choosing a vibrator for women

In what capacity will the vibrator play a role?

Any woman can say that this is too stupid question. However, this is not so, in this question there is a positive answer with meaning.

It should be noted that the vibrator can be:

secret female lover – a woman will independently apply it for her satisfaction. You can apply it around, where a woman will feel nice, and where there will not be strangers. It can be a bathroom, or a bedroom. To use a vibrator it is necessary only in the event that at home no one else;

male assistant – a man can caress a woman with a vibrator during sex. Also, you can apply the games in different roles, and learn new sensations;
