PART 1

History!

In the beginning God created heaven and earth. And the earth was without form, and void; and darkness was upon the deep, and the Spirit of God was hovering over the waters. And God said, let there be light. And there was light. And God saw the light that it was good, and God separated the light from the darkness. And God called the light day and the darkness night. And there was evening and there was morning, one day. And God said, let there be firmament in the midst of the water, and let it separate the water from the water. And it was so. And God made the expanse and separated the waters which were under the firmament from the waters which were above the firmament. And it was so. And God called the firmament heaven. And God saw that it was good. And there was evening and there was morning, the second day. And God said, let the water which is under heaven collect itself together, into one place, and let the dry land appear. And it was so. And the water under the sky was gathered into its place, and the land appeared. And God called the dry land earth; and the gathering together of the waters he called seas. And God saw that it was good. And God said, let the earth bring forth grass, the herb that yields seed according to its kind, and the fruit tree

that yields fruit according to its kind, in which its seed is in the earth. And it was so. And the earth brought forth grass, and herb yielding seed after his kind and likeness, and the fruit tree yielding fruit with seed in it according to their kinds on earth. And God saw that it was good. And there was evening and there was morning, a third day. And God said, let there be lights in the firmament of heaven to illuminate the earth, and to separate the day from the night, and for signs, and times, and days, and years; and let them be lights in the firmament of heaven to Shine, upon the earth. And it was so. And God made two great lights: the greater light to rule the day, and the lesser light to rule the night, and the stars; and God set them in the firmament of heaven to Shine upon the earth, and to rule the day and the night, and to separate light from darkness. And God saw that it was good. And there was evening and there was morning, the fourth day. And God said, let the water bring forth the reptiles, the living soul; and let the birds fly above the earth across the firmament of heaven. And it was so. And God created great whales, and every living creature that moves, which the waters, after their kind, and every winged bird according to its kind. And God saw that it was good. And God blessed them, saying, be fruitful, and multiply, and fill the waters in the seas, and let birds multiply on the earth. And there was evening and there was morning, the fifth day. And God said, let the earth bring forth the living soul after its kind, cattle, and reptiles, and beasts of the earth after their kind. And it was so. And God made the beast of the earth after his

kind, and cattle after their kind, and every creeping thing of the earth after his kind. And God saw that it was good. And God said, let us make man in our image, in our likeness, and let them rule over the fish of the sea, and over the birds of the heavens, and over the beasts, and over the cattle, and over all the earth, and over all the reptiles on earth. And God created man in His own image, in the image of God he created him; male and female he created them. And God blessed them, and God said unto them, be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the beasts, and over the birds of the heavens, and over every living thing, and all the earth, and over every creeping thing of the earth. And God said, behold, I have given you every herb bearing seed, which is upon all the earth, and every tree, in which is the fruit of a tree sowing seed, to you it shall be for food;

and to all the beasts of the earth, and to every fowl of the air, and every creeping, grovel upon the earth, wherein there is life, I have given every green herb for food. And it was so. And God saw all that He had made, and behold, it was very good. And there was evening and there was morning, a sixth day.

When the Earth was created and hell Was created, Hell was created for all the fallen Angels and Demons, and for the people of those he considers worthy!

Chapter 1 In the beginning

When the Lord created the people on Earth appeared, and the devil, it was at this very moment when the Lord commanded all

Angels to bow before the people, one was against and called his Lucifer, who was one of the most powerful Angels, but he did not listen to his father and 1/3 of the Angels fell with him, those who supported him. Since then, the Devil takes revenge on God by people who gradually began to forget him.

In fact, the Lord is just as hard and cruel to people! We all know that if we end up killing ourselves, our soul will automatically go to Hell, which is a mortal sin. As it is already clear that people are not hard to go to Hell, it's hard to get out of there! As with all things! People say the word Hell, but they have no idea what it is? What is this place really?! Since there was light appeared on Earth and Hell, God created it for all fallen and sinful people who deserve to get there! The fall of Lucifer the angel of light otherwise it's Samuel known around the world, older Brother Michael sent him to Hell with his sword.

Archangel Michael

When Mikhail defeated the snake opened the door in Hell, so and emerged the most powerful the first and the only the Devil! And all those who were Angels have become Demons. Only then the devil decided to take revenge on God through his favorite creation! (Through people.) But sometimes people can choose their own path, who do they believe the most? The Lord or the Devil! The manifestation of the devil on Earth became more and more noticeable than the Lord, in the fact that the Lord hopes only on the faith of people, and the devil lures them with his manifestation. Therefore, many people cannot believe in God because the Lord created people in his image and likeness, if it is so, why he does not appear among people, and people do not see

him! The only problem is that we don't see it, and we can't believe it, and when a demon appears, people immediately turn to God, to his prayers! That's the problem! -What in the world happened so is the crushing of all religions! Each has its own religion, each country has its own religion! But it is not important what is your religion, the Lord is one, no matter what you believe?! The main thing to believe! And-this, virtually? Rights. Until the person with it will not face he will not believe, not in anything!

Meanwhile, the devil walks the Earth and makes everything new deals with people, he watches them from a distance, and when the moment comes you need the help of man, and does not apply to whom, then comes the devil! And the one person who he always interferes! I believe in the Lord, I believe in the devil, there are angels and demons, they are among us, you just do not see – what I see in fact, humanity has turned into a battlefield, between hell and Paradise! There is a constant struggle for power on Earth! What is reality? The-that we are accustomed to see every day, then and subconscious our perceives, but on fact – this his kind of illusion, but the real illusion, and that under it? Not who, not sees! As the face of God! Its not who sees all those who serve him, and people have to rely only on faith. My Name is Raphael, I was sent from heaven to Earth in order to protect people from the demons of the dark Lord, in human form, small potatoes and have no idea what you getting yourself into?!!!

Archangel Raphael he serves as A healing angel, also punishes demons and fallen angels, looking after people.

Archangel Raphael

The story of Raphael began with the imprisonment of angel Azazel from the book of Enoch.

Buries Raphael bound Azazel under a desert because he taught the people various crafts and thus corrupted them. It was the Lord's command.

At the beginning

When the Lord saw what Azazel had done, he ordered him to be brought to him, and then the Lord said...

Lord

Tie him up on his hands and feet, and put him in the darkness, make a hole in the desert, which is in Dudael, and put him there, and put on him a rough, sharp, stone, and cover his darkness, that he remained there at all times. And close his face so he doesn't look at the light. And on the great day of judgment, he will be cast into the Fire.

Rafail

– But father if it is sharpened that it may release sooner or later, isn't it better to put him in prison, where the eternal fire, from there he soon to be released...???

Lord

– It doesn't matter, do what I say!!!!

By order of his father, he was imprisoned Azazel! Into darkness!

In our days!

Demons Azazel has signed new deals with people, the more souls the better!

Lord

– you see what's going on?

Rafail

– Yes, I see my Father!

Lord

– You know what to do!

Raphael descended from heaven to Earth! To prevent the daemon to sign a new deal with souls! When he came down from heaven to earth, he saw that there were many demons on earth, that there was a war between Hell and Paradise for Earth!

Raphael fought off the demons from the man, and the man began to live his simple life, however, when Raphael met with the demons, the demons were not simple, and most of all – it was the demons of Solomon, from ancient Babylon they had a **72 demon** and the remaining **27 demons** were minions of Azazel, a total of **99**. Back in Paradise Raphael told me what happened!

Lord

– Solomon ruled these demons with the help of a magic ring! It was made by great priests who served, not only to Tsar Solomon, but also to Jerusalem.

Rafail

I know that this ring gave him not only tranquility, but the anger, the so-called inner demons, with the help of this ring he controlled them, and built a great Kingdom!

Lord

– Yes but the ring was lost and thrown into the Dead sea- this legend is true! Find that ring, and you can bring them back to HELL.!

Rafail

– Yes Father!

Raphael did not hesitate to have descended from heaven to Earth, on the black sea. In ancient times, when the witch hunt was carried out, they were lowered into the water, hung a huge stone by the legs and thrown into the sea tied, if the witch is alive splyvala means she witch if not it was the most normal person. But people didn't know what I was doing, and just stoked for all the girls, whom they shield witch, but all the girls that they believed witches were drowned, because he was called the dead sea – it was a grave for alive people! All the souls have gone to Heaven through the dead sea, so drink from this sea, it is strictly impossible, as making at least one SIP people will die. After the ring was lost in the sea, who are not seen! As Raphael dove into the sea, the weather changed dramatically for the worse, there was gray clouds flashed with lightning, a strong wind picked up, deep under the sea, in the bowels of the deep, Raphael got the ring of Solomon. But when he came out of the sea it was waiting for the Supreme demons who are also hunting for this ring. But there appeared among the demons one death, it was not clear from where he came from, and how did! But he quickly has coped with them as if a new the ninja! And they met Raphael....

Rafail

– What's your name?

Ivan

My name is Ivan!

Rafail

– Who are you? How did you get here?

Ivan

– I! I'm a man, And you like Raphael? Archangel's? And exactly Raphael!

Rafail

– Where do you know me from?

Ivan— Well, I studied your existence that you serve the father that you are his messenger from the heavens! I came here because it started very strong demonic activity, ie, we are those people who hunt demons, the last pockets of resistance! But, what are you doing here? And perhaps you Central for than something sent?

Rafail

– Yeah! The ring of Solomon! I got it!

Ivan

– That!?? The Ring Of Solomon?!!! That? Which, he ran demons? Rafail

– Yeah! The same it there is! Into the wild snatched 99 demons of Solomon, and among them the demons Azazel!

Ivan

– Yes, I Know your old friend! And the former angel! So you're hunting for the demons of Solomon?

Rafail

– Yeah, but I'll see you. Times our Affairs, intersect!

Godspeed! At the same time Raphael was gone! Ivan also didn't waste any time and continued on his way to Europe! It is time that opened a hell of Selina in which was imprisoned Lucifer, and from this Selina released 99 demons, among them was the fallen!

Chapter 2 the Hunt for the demons

In the fact that the door to Hell was not as thin as when she opened. All 99 demons spread across The earth! The first was Agares, in most cases, he likes to take the form of a pleasant old man who moves slowly on the crocodile, and sits on his arm hawk, Agares returns fugitives, teaches all the languages of the world, knows how to cause an earthquake, he commands about 31 legions of spirits. Such an army of all the demons can come only when you come to earth Lucifer, and all demons one, unleashed on earth.

AGARES

Demon Agares

Agares kind of lures people who crave money, power, thieves

and bandits! Thus able to release from captivity of Azazel!

With the help of rings and traps for demons it can be caught! His first appearance was in Europe Frankfurt-Germany, there was a strong earthquake. There Raphael and went, heard about this incident Ivan, and went to the same! Later that night, Raphael decided to call Agares, for that would banish him to Hell In the fact that in this city he did not appear by chance, in this city Raphael and imprisoned deep underground Azazel! Only agares can free Him from all the demons! Ivan Found the place where Raphael decided to expel Agares, but Agares was not alone with him were henchmen of demons, a small rag-tag, which was afraid of bright sunlight! Before the advent of Ivan it the bright light appeared not far from Raphael – it was Ivan himself, with the help of this light he killed the demons that were near him! He did not expect that there will be Ivan.

Ivan

– What did not expect?

Rafail

– Yeah! How did you know I was here?
