Медовые аферы, или аферы "принцев голубой крови" постоянно возрастают в количестве и распространяются по всем континентам: от США до Австралии, от Европы до Азии. Любая женщина, умная и современная, может попасться в сети аферистов, которые орудуют в социальных сетях, атакуя уязвимых особ женского пола. Медовые аферы, или аферы "принцев голубой крови" постоянно возрастают в количестве и распространяются по всем континентам: от США до Австралии, от Европы до Азии. С любой женщиной может войти в контакт в социальных сетях невероятный персонаж, который за два дня влюбляется в нее, а потом просит деньги на решение неожиданно возникшей серьезной проблемы. Среди интернет-мошенников романтические аферы являются самыми прибыльным и надежными. Это очевидный и простой способ получения денег, который можно повторить в другом варианте, со временем улучшая приемы и оттачивая свое мастерство. Той же самой остается только цель: вытянуть из женщины деньги, используя период розовой влюбленности, фотографию другого человека, скопированные у кого-то стихи и фальшивую информацию о себе. Их приемы обольщения могут быть настолько банальными, что бывает сложно заподозрить обман, потому быть романтическим аферистом очень выгодно, а преступники постоянно совершенствуют свою систему действий, чтобы как можно проще заманить жертву в свою ловушку. Таким образом, с любой женщиной может связаться бесхитростный льстец и завлечь ее в умело расставленные эмоциональные сети, аккуратно моделируя ее, словно костюм, который шьют по фигуре жертвы.
