Amanda sat by the window and watched the drops of rain fall on the cornice. The girl was 7 years old. Her blond hair slipped along the elegant back. And the eyes, big, brown. Amanda lived with her father, she did not have a mother, she died at birth. Amanda will go in the first class, she will have to make friends with everyone in the class. This is what she was afraid of. Amanda's father is a very nice person and sympathetic. His name is Rain. The next day:

Raim opened the shutters and the sunny heat spread throughout the room. Amanda sweated sweetly. And she glanced at her watch.

–Pap! But where is it so early?

–Where are you going today to school, the first time, to first grade. And after school, I'll pick you up and we'll go to my sister, Adam has already been waiting for you.

–But I do not want to see her, she's bad!

You do not have to do this yourself, you're telling yourself. Aunt Mary is not so bad. Her father said.

"And no, she's bad, she does not love me!" Amanda emerged.

"Yes, no, you'll see, I'm exactly at 12 o'clock next to the school gate." Rhine put Amanda in the school bus. The bus was crowded with the children. All looked at Amanda, but no one laughed at her. Amanda sat down at the end of the bus near the window and stared she heard talk about her. But she did not hear anything wrong and sighed deeply. The hours passed quickly and the lessons also, the time was closer to 12 days. "– Finally, the last call from the lesson sounded, it was possible to go already. "Amanda jumped out of school, she wanted to quickly leave this building. The thief t was Daddy's car, she sat in her.

Asked the father.

"So it's all right," Amanda said.

"Well, then we went to Mary." Said the father. They drove through the block. They drove up to the big, beautiful house. Ryan went to ring the door:

"Who's there?" Was heard from the inside.

"It's me Rhine," he replied.

Raine! "Mary opened the door.

Amanda, come here, remember Aunt Mary?

–No! I do not remember. The girl did not even look at her. She admired the nature.

– Aunt Mary, hello, where is Adam?

–Yes he walks in the backyard with a dog.

Thank you, I'll probably go to him. Amanda saw how the ball flew over her head and his dog slammed his jaw in front of Amanda. Amanda hid behind the nearest bush.

"Amanda, do not be afraid, he's kind, gentle, look! Lloyd to me!" The dog ran to Adam. "He does not bite his brow. Amanda did not come too close, just in case.

—Small as he knows! Adam threw the dog a ball, Lloyd ran after the ball open his mouth.

"I see it's great, but I do not like your dog!" Amanda managed to say these words when her father called out:

—Amanda! let's go, we still have a lot to do. Amanda obeyed father. Going to Adam, she said:

—You'll see you again, right?

Yes, of course, Amanda, see you soon! Amanda and her father left the house of Aunt Mary. Already at home:

—Amanda, I'll soon go on a business trip, for 2, three days. So you know what you can do and what not! Mary, you do not often visit us, what happened?

— Yes, Lloyd's sick!

"Okay, Mary, sit outside." The doctor took Lloyd and laid him on the table.

"Now let's see what's happened to you, God's breathing has become frequent! He needs to inject a sedative. The doctor reached for the injection and injected Lloyd. But from that he did not feel better, but on the contrary. The doctor felt that things were not going well.

Lloyd was fainting, he was on the verge of death, in a few minutes, he went off into another world. The doctor realized that Mary would be beside herself with rage if she knew that the dog was dead.

–What is it? he began to think it over and remembered that he had an injection that would revitalize anyone, but of course there could be terrible consequences. The doctor had no choice but to introduce this injection, he did not see another way out. He did it. And so he did it. While the doctor was packing his the tools in the box, Lloyd woke up, he needed a lot of blood, he craved it. He jumped from the table, and attacked the doctor and bitten his hand. At that moment, Mary entered.

– Dr. Myrton, are you all already? – asked Mary.

"No, wait outside!" Said the doctor, closing the door with force, but Mary was stronger:

–What is it you have?

He smote a nail. He smiled. Lloyd sat calmly like the former Lloyd. But it was not like that. The doctor knew about this. Mary took Lloyd home. When they arrived, Lloyd slept soundly. Mary cut fresh meat in the kitchen Lloyd sensed and swallowed a whole chunk of her. And rushed upstairs, where Adam was, Adam was sitting and playing typewriters.

Come back to me, the dog began to come closer and closer and he snarled angrily and Adam backed away.

Lloyd, what's wrong with you? What's wrong with you?  
"Lloyd opened his mouth and swallowed Adam's vyplenuv his

bones. And as if nothing had happened to lay down in his place. And then he fell asleep again. Lloyd did not touch Mary yet, he remembered that it was his mistress. Then Lloyd, as scalded, jumped up and ran to the street.

Amanda was a good student, she praised her. Amanda was happy to come home, showing her father about her new grades. Evening half past six: "You were so rushed, you did not even eat well." Since then, Amanda! go down to supper, where are you? "said Rain putting the dinner in plates.

Go! Go! "Cheerful Amanda screamed. When they started to eat, Amanda began to talk:

–Something Adam does not come to us, he promised me. And I wanted to play with him with his dog, I'm not afraid of her!

–Yes! that that for a long time it is not present, Amanda can you will come to Aunt Mary ah?

"I'm not hiring her, she's a bad Aunt!" Amanda was capricious.

Lloyd ran along the street, on the way to meet a kitten, completely defenseless. Lloyd ran into green slobbers from behind his mouth. Lloyd growled and tore him to the kitten, kitten and did not have time to shriek, his paws and tail are gone, and the kitten is no more! Lloyd felt that ate and went home. Mary at this time cut the meat and cut pieces put Lloyd in a bowl, he did not eat, just turned away.

Said: "Yes, what happened to you?" After the vet clinic you became what it was not, Mary said. They called at the door:

Amanda was standing in the doorway.

"Where's Adam, where are you hiding it?" She asked.

"First you have to say hello first, okay?"

Hello, Aunt Mary, "Amanda murmured in an angelic voice.

–So that's better, now I'll call him, he's offended at me, he's not talking to me for three months in a row. Adam is coming here, Amanda wants to see you!

Amanda herself ran upstairs. I went into his room. "" Foo, well, there's a smell! "

– Where are you, Adam? Do not play with me like that, but I'll take offense. Amanda looked under the armchair, but there was nobody there, then she saw her hand from under the bed and was happy.

"Oh, there you are, where are you hiding? Well, well, get out of there. But Adam did not hear her, he was dead." She leaned over and looked under the bed. Amanda did not believe her eyes.

"Oh, my God, this can not be? What happened here? Full of madness." Amanda ran down in panic, she collided with Aunt Mary:

"Auntie Mary, call the police soon, here's the corpse of Adam."

Adam's gone to the camp, I just forgot to tell you, since he's not at home, I'd better call your father, he'll come and figure it out.

"Once you do not want to be responsible for your actions, it means that you killed Adam! I'm leaving here against being." She

did not have time to open the front door, as her father burst in and hugged the girl.

"Amanda, why are you crying?" Asked my father.

"Let's go upstairs, I'll show you everything, she killed him."

–Who killed whom? Amanda what are you talking about?

–Dad, Adam is no more!

–Well, he must have gone somewhere!

"No, no, I saw!" Amanda and her father walked into Adam's room and said, "Look under the bed." Mary was already standing in the room. Ryan looked under the bed.

"Oh, my God, what is that?" And the smell, Amanda, is this?

"Rain pointed to something that was not clear under the bed.

–Mary, why did you kill Adam?

–Rain, what are you? I did not kill him, what are you talking about? I honestly do not.

"I'm calling the police, I've had enough, let them understand, Amanda will go!" Raine shouted and they left. Mary was left alone.

"How could this happen? What kind of animal is this?" And where is Lloyd? "Mary went to the kitchen. Lloyd ate at that time, his meat, which she gave him.

"Lloyd, you're a clever dog?" "Yes, what are you doing?" Lloyd turned to her and his eyes burned with an ominous fire, and drool droplets dribbled from his splashes.

"Lloyd, you will not eat Mom?" But Lloyd did not think so. He attacked Mary and tore her hand away, she was already

screaming:

"You're not my dog, the doctor changed it and I'll kill you." Mary was in a panic, her hand bleeding with a fountain. Lloyd gnawed Mary on the horrors, she had a huge hole on her stomach. She was no longer breathing, Lloyd was no longer interested in her, he ran to the street. To Auntie Mary came the police:

"Hey, is there anyone here, like Mary Rinson?" But no one answered. The policeman ordered another:

"Peter, break the door to hell, something is not clean!" Peter broke the door and they both went in. And when they saw this sight, they were stunned.

"You see this?" Asked Peter. Mason was the other policeman's name.

–Yes I see! well, the smell! fu stink then what! something I do not like it at all, the murderer tore Miss Mary apart, but who can do it?

"Obviously, not a man, but a beast, looks more like a lion, so call experts here, let them decide now."

–Okay, I understood the boss! Amanda sat on the couch and held her father's hand firmly.

–Dad, please do not leave again, I'm scared, I'm afraid! Call at the door:

"There are policemen, I'll go open!" Rhine went to the door and opened it.

–Are you Marie Rinson's brother?

And what, in fact, did she not kill the boy?

-Yes, it's not who she killed, but who killed her?

"Is she dead?" Asked Rhine.

You're gonna have to come with me.

"You want to say that I am capable of killing her, that is, my own sister?" "I did not offend the fly in my life!" And that Ryan was agitated at me now.

-What are you carrying? No one is going to arrest you. They approached Mary's house. The experts were already spinning over Mary's body, or what was left of him.

"What have we got there?" Mason asked the expert.

Judging by the bites, it was a huge dog.

-Mason, hurry upstairs! Look! He looked under the bed.

Mr. experts, the corpse of a boy has also been found here. They all went upstairs. Ryan asked:

-May I go now?

"One minute sir, I have one question for you, was there any dog ??in the house?"

-Yes, but I do not know where she is now.

"But why did he run away? Maybe it's his paw case? Urgently him on the wanted list, what kind of dog are you talking about?"

-I do not remember, but in my opinion it's a Staffordshire terrier!

"A very dangerous dog," Mason said."Well, I think I'll go okay," Rhine said and backed away, and then ran home.

"Amanda, are you at home?" He asked, sounding the key on the shelf.

"Dad, I'm here, I'm afraid," said Amanda, sitting on the couch, clasping her knees to her chest.

"Glory to God, you are whole, healthy, Amanda from this day on, will you go to school and only understand with me from school?"

Dad, and at school I will be guarded by our class teacher, Dad, by the way, she asked you to go to school tomorrow, will you come tomorrow?

As soon as I get free I'll come to school and get acquainted with your teacher, and now go to bed, daughter! Tomorrow is a hard day. Good night, dear!

–Good night, Papa! The next morning: Mason sat drinking a morning coffee, suddenly a phone call.

–Ser Mason? Asked in the phone.

"Yes, I'm listening." Mason answered, taking another sip of burning coffee.

"Come quickly, on the ninth avenue and see with your own eyes."

"What should I see?" He asked.

"But sir, this is not a telephone conversation, I'm waiting for you there!" Mason put down the phone, threw on his jacket, and rushed off there. Already in place:

Mason came into the apartment and saw something terrible. On the floor in the pool of blood lay two half-eaten corpses.

– Sir Mason, go up to the second floor, there's something in the bath! Mason rose to the bathroom.

"Oh, my God, it's just a baby, about six, seven. Mason saw the bath full of blood, the girl's whole chest is gnawed and everywhere the dog tracks are bloody.

You have to find a dog, until she made a half of the corpses.

–Sir Mason !, received a phone call, there was not a terrible murder here!

You went there! And you work! And call the car, okay?

Sir, we will do so! They arrived at the place:

–My neighbor called and said that I saw a very strange dog, so furious, as if he was looking for someone.

"Well, what is it?" Mason asked.

"Here in my opinion, it looks like a half-rub, and I could not find my feet, in my opinion, our dog had a tasty breakfast. In a small, children's room, the corpse of a child of six years old lay.

–I understood that our dog tries to look for him and he is already very close. Amanda was familiar with Adam after all?

Yes, it's the woman, her father's sister?

"Then it's all up, this dog is looking for a girl, Amanda is the eighth, right?" He's looking for her age, it's all the same, what kind of devil is he in the guise of a dog? "Ryan drove to school to pick up Amanda and meet the teacher.

"Are you going to be the father of Amanda, I'm her class teacher, my name is Sara Richter, and you are Rhine Rinson?"
