*no need to be afraid of the night,*

*it is magical and beautiful.*

- What's that light in the sky?
- They're stars.
- They're amazing.

One day I was walking through the forest and saw a small ray.  
He was scared and didn't know where to go.

- Ray, what's wrong? Why are you here alone?
- I came down here from the Sun and decided to take a walk.

The other rays tried to talk me out of it, but I wouldn't listen. I wandered for a long time on this beautiful planet and did not notice how my sun began to hide behind the horizon and take the rays home. I ran, but not in time. What will happen now?
