TEACHER INT.STREET – DAY

Jessica is a student at a medical university.

Jessica 19 years old, blonde and beautiful.

Jessica with a backpack on her back is walking down the street, she crosses the pedestrian crossing.

Suddenly, the car stops right next to her feet. The driver opens the car door, gets out of the car and screams after her: (The driver's name is MAX) MAX – 47 (years)

MAX

– What's this? Why are you crossing this road? Are you blind?

JESSICA

*– Excuse me, please.
Jessica runs away.*

MAX

– Where did you go? I did not let you go!

Max gets into the car and goes. Rides past Jessica.

MAX

– I'll find you again, blind!
Max leaves.

INT.CLASSROOM – DAY

Jessica enters the classroom. Around there are a lot of girls' students and a few guys who study with her.

Jessica sits at a desk and asks her neighbor for a desk – Lisa.

JESSICA

– I'm not late?

LISA

– No, we have not started yet. And what are you running?

JESSICA

– Oh no, imagine what kind of driver the driver pounced on me and started shouting.

LISA

– An abnormal one.

Bill looks at Jessica and her short skirt.

BILL

– Jessica, but are you always so interesting?

Britney enters the classroom in a blouse with a large neckline on the chest and a short skirt. Bill looks at her and says:

BILL

– Wow to yourself!

The door in the classroom opens and Max enters with a black business bag in his hands. He goes to the teacher's table.

JESSICA

– It's him, that driver.

Lisa and Jessica watch as Max sits down behind the teacher's chair.

JESSICA

– Only that he did not see me!

Jessica is bending over, hiding behind her neighbor in the front.

Lisa pushes her into the side and whispers.

LISA

– Tell him that you are not to blame!

MAX

– I did not understand what kind of talk in the ranks. Well,
I got up!

Lisa stands up and apologizes.

LISA

– Excuse me, I'm not in the tea. I'm already silent.

MAX

– *All right.*

Max looks toward Jessica, who is hiding behind the neighbor in front.

Max gets up and talks.

MAX

– I'm your new teacher. If you do not mind. Let's get acquainted. My name is just Max. All of you call your name and get up.

The first student gets up and says:

FIRST STUDENT

– *Matthew.*

The second student gets up and says:

– *Leslie.*

Jessica whispers to Lisa.

JESSICA

*– I'm afraid, I don't want to stand up.
Max looks towards Jessica.*

MAX

– *Who's next? Your turn.*

JESSICA

– I can not, I'm afraid!

LISA

– She just saw you today!

MAX – Well, let's get acquainted closer today!

Jessica gets up and says with a flushed face.

JESSICA

– Sorry, I'm not at fault.

Max lowers his eyes and looks at the class.

MAX

– I get it, sit down.

Jessica sits down and whispers to Lisa with a flushed face:

JESSICA

– It seems to bring.

LISA

– Yes, do not be afraid of him, make something special pleasant.

Lisa stands up and says loudly:

– Lisa!

The next student gets up and says:

STUDENT

– *Wright!*

Lisa whispers to Jessica.

LISA

– Look, I have an idea, let's invite him somewhere.
Jessica gets up and says:

JESSICA

– You can offer me!

MAX (threatening voice) – What else do you want!

JESSICA

– I'm not nothing!
Jessica sits down.

MAX

– I understand you, you are already afraid, and even behave not properly.

Well, how to get out of class!

Jessica gets up and says:

JESSICA

*– You actually wanted to invite you to the cinema!
Only me and you!*

MAX

– Oh, I thought of that! I tried to seduce? Sit down.
Jessica sits down and cries.

LISA

– Do not worry, he makes himself sound.

INT.STREET – DAY

Jessica walks on the road and quietly cries. Nearby Max drives up, his head hanging out, he says:

MAX

– What are you thinking? To cry here to me.
Jessica looks at him and says.

JESSICA

– No, I can not, just come tomorrow and see you at the lesson.

MAX (abruptly)

– And this is what you decided? Well, get in the car, we'll talk!

Jessica sits down and slams the door.

The machine starts to move. Max says on the road.

MAX

– Let me give you a lift! Speak your address!

JESSICA

*– I live at the intersection of two streets, Fernando
and Columbo.*

MAX

– It's where I am!

INT.STREET – DAY

Four students from the same class go on the road. Their names are: Britney, Rachel, Amelie and Sally.

SALLY

– *Something strict our new teacher!*

BRITNEY

– I think we'll have to endure it. We're not going to caress with him (mimicking the teacher).

SALLY

– No, let's make friends with him!

AMELIE

*– I think everything will be fine. We'll just get together
and give him a gift and he'll calm down.*

INT.CLASSROOM – DAY

In class 3 female students – Britney, Rachel and Sally tie ribbons on a large gift box.

SALLY

– It's you Britney thought of, buy him ties, we would never have guessed!

Rachel puts the ready gift box on the teacher's table and sits down at her desk.

All students sit at desks. Max enters the classroom and looks at everyone.

MAX

– *Nobody was late?*

BRITNEY

– No, only you're late!

MAX (cursing)

– I told you that! Disassemble my problems? Or when should I come to work?

Max goes to the teacher's desk and looks at the gift.

MAX (cursing)

– Who did this?

Max looks at the class.

MAX

*– Well, confess, who did this?
Rachel raises her hand.*

RACHEL

– Sorry, can I say it!

MAX

– Come on, confess.

Rachel gets up and says:

RACHEL

– We bought you ties yesterday.

Max looks with surprise at the box and says:

MAX

– *What? Ties?*

Max opens the box and looks at two pink tie.

Max sharply turns his head to everyone in the classroom and in a harsh tone is expressed.

MAX

– I'm that your girlfriend or what? Or did you decide to ridicule me?

Rachel sits and says:

RACHEL

– Actually it was not me who chose it.
Britney murmurs quietly to herself.

BRITNEY

– Goat!

Max looking at Britney.

MAX

– I did not hear, louder, please, Britney!

Max throws a box of tie on the floor and kicks the box into the far corner.

MAX

– Here's your gift, you know? With such an attitude.
Max sits down at the teacher's desk.
He points at the box and says:

MAX

– There you are, why did you do this? To communicate with me, right? But it turns out that you yourself do not want to be friends with me.

All students sit in the classroom and look at the board.

Max draws a hand on the board.

MAX

– What did I draw?

Jessica raises her hand and says:

JESSICA

*– It's just a limb in humans.
Max looking at the others:*

MAX

– Not right.

Paul raises his hand and says:

PAUL

– *Maybe it's just an organ?*

MAX

*– Paul, do you have a problem with the organ?
All students laugh:*

MAX

*– You again answered wrong!
Max pointing to the board says:*

MAX

– It's just a hand!

PAUL

– Can I go out and show you?

MAX

– Try to do it!

Paul exits and shows everyone a hand on the board and says:

PAUL

*– This is a hand. Correctly?
Paul points to his hand and says.*

PAUL

– But this is my hand, okay?

Paul sits down and everyone laughs.

Max sits down at the table and writes something.

Max looks at the class.

MAX

– Where's Bill? Bill Jackson?
