Вступление

Здравствуйте, друзья

У вас самые серьезные намерения? Вы хотите заговорить на английском языке? Вы хотите говорить бегло?

Прекрасно!!!!

Наш Тренажер предназначен для вас.

Как мы учимся говорить?

1.Мы учим английский язык, закладывая речевые конструкции в наш мозг. Только таким образом мы начнем говорить быстро, бегло и не задумываясь над тем, как построить фразу.

Речевая конструкция – это то, на основе чего строятся предложения.

Например, речевые конструкции с глаголом to be: I am, You are, She is и так далее, в утвердительно – отрицательно – вопросительных вариантах.

2.В каждом уроке мы тренируем одну или несколько похожих конструкций. Ваша задача проговорить каждую из них несколько раз с данным в уроке словами.

Вот так это выглядит.

I'm a good man

boy

woman

an old woman

man

an young girl

a busy boy

Конструкция I am повторяется с разными словами или группами слов.

Вы читаете:

I'm a good man

I'm a good boy

I'm a good woman

I'm an old woman

Такое расположение материала не случайно, оно помогает вашему сознанию работать, а не просто произносить написанное

3. Мы учимся говорить, повторяя фразы, а не слова. Поэтому проговаривайте фразы несколько раз. Чем больше вы их проговариваете, тем более автоматичными они становятся. В будущем вы не будете думать, как сказать ту или иную фразу, она будет «слетать с языка»

4. Не обязательно запоминать все слова. Запомните те, которые вам нужны и которые вы используете в языке. Однако, вам лучше знать их значение.

Если какое —то слово трудно запомнить, повторяйте его в разных конструкциях. Например.

I am tired. She is tired. He is tired.

То есть составляйте с словами разные предложения.

5. Все конструкции даны без перевода. И это даст вам возможность погрузиться в английский язык.

Однако, в словаре вы найдете перевод всех конструкций и слов.

6. Если вы хотите не просто говорить, а еще и слышать язык, вам нужно его слушать. Тренажер английского разговорного включает в себя и аудио-тренажер. В аудио тренажере материал книги озвучен носителями английского языка.

Мы рекомендуем вам приобрести Аудио тренажер и начать с него тренировку разговорного английского языка.
