The goat Tricky has already made a plan on how to get the cabbage from the garden bed, but

«Oh, no!» the farmer picked up all the cabbages, stored crispy vegetables in the wooden box, and placed it inside the house.

Tricky was late but he did not despair. A new plan was created in the goat's cunning mind.

All he had to do is to overcome the fence, sneak quietly so that the farmer would not notice the goat in the garden, climb into the house and eat all the cabbages.

«As easy as pie,» thought the goat.

Tricky went to the cow, which was on the other side of the fence.

«Oh Betty, you can't imagine what wonderful grass I've got here. So many vitamins and anti-aging effects, it's all about my grass. It would be so amazing if you could try it» said the goat to the cow.
