Аннотация

How to play? The company is going, everyone draws on the map and read aloud what awaits them. Everyone laughs. You can play alone. In the morning, you pull out a map and read what you will get today. This type of playful horoscope in verse. No relation to horoscopes in the usual sense, the game, of course, does not. There is nothing like this in the world. At least, I have not met. The name of the game «Predskazayka» also came up by himself. What will happen to you today, today?

PREDSKAZAYKA

Introduction (rules of the game)

The game “PREDSKAZAYKA” and its name are invented by me. The rules of the game are very simple, more precisely, they simply do not. You make a wish, open a book and read what you will fall out. For example, “what awaits me today” or “will I pass the exam”. “Play” in the PREDSKAZAYKA can be one, and it is possible and the company. For example, at a festive table. Everyone opens a book on his page and reads aloud a prediction. Everyone laughs, because it really is a “game” with humor. Especially popular is the PREDSKAZAYKA uses the New Year, because it can also be used as a horoscope. The book describes 34 items, it’s like cards in a deck, including a “joker”. Are the predictions of the PREDSKAZAYKA come true? Of course, everything depends on faith...

GOOSE

Here is an important Goose —
I'm not afraid of anyone.
He is confident in his forces
And, buddy, do not be afraid.

On such a brave man
The young man and the daredevil
To look, and that is pleasant
Lamza-dritsa, op-tsa!

Well, my friend, do not be shy
For all hardships, hammer
Goose today will turn
In your trump card ace

HOUSE

Here is a beautiful light House
He lives well in it
Many adults and kids
Here they only dream about —

What was always cosiness
At you and there and here
And in the apartment and at the cottage
Let the flowers always grow

House gives you comfort
Trouble let it go away
Everything will be as you want
Peace, tranquility will come

FLOWER

Map – colorful flower
Give love a big sprout
New feelings and sensations
New blood will give an influx

Life blossoms beautifully
Happiness will come
As in Turgenev's novel
Everything will go and go

Without love, we, brother, do not
If you are not your enemy
Look at the ray of the heart
Light is important to us, not darkness

A LION

The king of the bestial formidable Leo
Muscle luxurious bas-relief
If you say – eat someone
It's true, not bluffing

Do you want to be like the Lion?
So you will be a formidable identity
And in any classrooms
Without a bell and a knock,

There where it is necessary
Where it is not necessary, keep silent
And on a silver platter you will receive
All possible keys

EMERALD

Map – Stone Emerald
Extracted from the Urals ores
And find it – good luck
Plus heavy long work

This stone is only yours
Not a trail of a curve
He is now delivered to you
And the expensive pillar

With this stone you are rich
Sails inflating frigate
Torturing in the money sea
The sweetest of regattas

CINEMA

Card dropped out – Cinema
This means only one thing
Rest at your leisure
Have fun in full, But...

The brain is not very strained
The liver you coast
Drink lemonade a little
Eat to the best of pies

You, of course, well done
Like a pickled cucumber
And in Kino, what will you see?
There will be a right end

AIRCRAFT

This map is an Airplane
Invites everyone to fly
Here's a ticket for you, dearie.
Clarify-ka faster flight

Choose your resort
Where is the pool and the beach and the court
Rest will be wonderful
A load case on board
