Introduction

Successful applicants
Dedicated to my rust
Reliable absolutely
Will be so and not inach

Take the poor by the tail
Can anyone and a scoundrel
How to live the whole year with luck
And the answer to this is simple

In the Amazon store
To Litters or Ozone
You buy and read
This horoscope, in that sense

Aries (21.03 – 19.04)

Aries in the year of luck-dog
Can do wonders
If it's sophisticated
Sly, brave as a fox

Yes, I'll have to kidnap
Competitors of all shave off
So that fairly quickly, honestly
The capitalist to weld

Gol on the invention of artistry
This is an ancient game
Apply it in kind
Aries is the most time

Taurus (20.04 – 20.05)

But Taurus does not outwit
Just do not persuade
Doors are wide open, for Luck
Only you lose patience

The case must be continued
Where to weaken, where to squeeze
Lies in the network of gold fish
And do not mind

There will be a spark and a fire
Money is a powerful powerful glow
And you will not come from where
Dear Bird-Fire

Gemini (21.05 – 20.06)

The bird of happiness is at all
Who plans success
Through our prediction
Twins are just one of those

Gemini predetermined
There is Foie Grue, not millet
You can take money as you like
